

## Aga Khan Higher Secondary School, Gilgit

Aga Khan Education Service, Pakistan

A company set up under Section 42 of the Companies Act, 2017

### Certificate of Appreciation

This certificate of appreciation is being presented to Asim Ali Abbas, student of Grade 12 Computer Science, who has been actively participating in the school's English communication skill development programme called "Converse". As a part of the Converse programme, he engages in discussions on topics of interest, delivers extempore speeches, and shares reviews of the books he reads and the movies he watches. Participation in this programme is greatly assisting him improve his English speaking and communication skills.

His positive engagement in the school's activities under the Converse programme is highly appreciated. It is hoped that he will continue his involvement in such activities in the future.
