Certificate of Appreciation

This Certificate of Appreciation is presented to Asim Ali Abbas S/O Abbas Khan, student of Grade 12 Computer Science, who has been actively engaged in the school's ICT Club as Head during the academic session 2024-2025. As the Head of this club, he initiated Python programming lessons for all members. Moreover, he coordinated with the Science Club Head to arrange Tech Fair during the school's Annual Science and Tech Fair in November 2024. As a club head, he kept all his club members motivated to work for school's various activities during students' week by managing the IT aspects of the programs including designing of creative banners.

His positive engagement in the school's activities under this club is highly appreciated. It is hoped that he will continue his involvement in such activities in the future.
